

MFC-9440CN

6-in-1 Colour Laser Flatbed Network Ready Multi-Function Centre®

Colour Laser Multi-Function Centre with direct printing from USB memory drive or Pictbridge

- Colour Laser Printer
- Colour Laser Super G3 Fax
- Colour Flatbed Laser Digital Copier,
 United Laser Digital
- Colour Flatbed Scanner
- Direct Print from USB Memory Drive or Pictbridge • PC Fax Send / Receive

Perfect for small and medium sized businesses, the MFC-9440CN handles the many demands from multiple users with ease, to maximise productivity.

Stylish, user-friendly design
Control panel designed to maximise usability

High-quality colour laser printing, super G3 faxing, flatbed colour copying and flatbed colour scanning, all in one small footprint.

Main Features

1/ Professional Colour Laser Printer

The MFC-9440CN gives you high quality, high speed printing whether printing a simple text document or a complex colour presentation.

The MFC-9440CN brings high quality printing to your workgroup. This will benefit from the 250 sheet* paper tray and 50 sheet* multi purpose tray. Should demand increase, you can expand paper capacity to up to 800 sheets* with an optional 500 sheet* paper tray. Other printer features include:

- Up to 20ppm Mono, up to 20ppm Colour Print Speed**
- Up to 2400 x 600 dpi Resolution
- 64MB Standard Memory (Expandable to up to 576MR)
- Up to 250 Sheet* Paper Capacity (Standard)
- PCL®6 & BR-Script 3 (Post Script® 3 Language Emulation)
- Poster Printing

2/ Super G3 Colour Laser Fax

The Super G3 fax modem means you can send and receive colour or mono fax messages super fast. One-touch and speed dial locations make communication with your most frequently used numbers quick and simple.

The automatic document feeder is ideal when

Automatic Document Feeder
For easy faxing of multi-page documents

sending multiple pages, whilst the flatbed enables you to fax from bound documents. High quality fax features include:

- Super G3 33.6k bps Fax / Modem Speed
- 16 One-touch Dials
- 300 Speed Dials
- Up to 35 sheet* Automatic Document Feeder
- Flatbed Design
- Up to 400 page Memory Transmission / Out of Paper Reception[†]

3/ Flatbed Laser Digital Colour Copier

Create professional colour or black and white copies at the touch of a button. As with faxing, you can copy from a variety of media thanks to the provision of both an automatic document feeder and a flatbed.

Reduce paper usage and costs by copying 2 or 4 pages onto one A4 sheet – simply select this option from the LCD menu. Colour copying made easy and accessible for all your workgroup. Convenient copier features include:

- Up to 99 Multiple-Copies
- Stack and Sort Functions
- 2-in-1 and 4-in-1 Copying
- Memory Security

4/ Flatbed Colour Scanner

You can scan, copy and fax from a variety of different document types using the automatic document feeder or flatbed. Backlit function keys help you to easily identify and switch between these functions. For your added convenience, Brother includes the very latest scanning software giving you a range of options to Scan-to-email, OCR, image, file or USB Drive.

Another benefit is that you can utilise the scanner function whilst operating in another mode, for example whilst receiving a fax or printing another document. Superior scanning features include:

Direct Photo Printing
Via camera using PictBridge or from USB memory drive

- Up to 19,200 dpi Interpolated Scanning Resolution
- 48 bit Colour Depth
- TWAIN / WIA Compliant
- Includes ScanSoft® PaperPort® for Windows® and NewSoft® Presto!® PageManager® for Macintosh® software

5/ PC Fax

The PC FAX feature allows the user to send faxes from any desktop application in either Windows or Mac and network environment, as easily as sending a print job. In addition, the user can broadcast the same document to multiple fax numbers using Brother PC Fax address book.

Other Features

Simultaneous Operation

Brother has added simultaneous operation, therefore enabling you to print whilst sending a fax or begin scanning while a document is being printed

LCD and Function Keys

The LCD display ensures it is easy to read the status of the MFC-9440CN. Additionally the function keys make it easy to see which feature is selected.

Paper Handling

There is a paper capacity of up to 250 sheets* as standard.

Compatibility

In the modern office, with an increasing number of users working from different systems software, workgroups require a cross-platform printer. That's why the MFC-9440CN has optimised drivers for Windows[®] 98 / 98(SE) / Me / NT[®] 4.0WS / 2000 / XP, Mac OS[®] 9.1 to 9.2/OS[®] X 10.2.4 or greater.

^{*}At 80 gsm **At 600 x 600dpi †ITU-T Test Chart No.1

Network Connectivity

This Multi-Function Centre[®] comes complete with a built-in Network facility, enabling your workgroup to share the printing, PC-faxing and scanning features.

The MFC-9440CN supports the popular TCP/IP protocol used by Windows® and Macintosh® operating systems for connecting computers on a network or the Internet. Hi-Speed USB 2.0 is also provided as standard, meaning connecting to this machine couldn't be easier.

Network Printing

Across the most popular protocols and platforms including Microsoft Windows®, Macintosh®, Unix and Linux operating systems.

Network Scanning

- Scansoft® PaperPort® with 5 user license
- Brother Control Centre for effortless Network Scanning
- Scan key functionality for Scan to Email / OCR / File, Image or USB Drive
- Optional 5 user license agreements to extend workgroup capability up to a maximum 25 users Network PC Fax

Brother Network PC Fax Software utilises LPR as the transport for sending or receiving documents from your PC to the networked machine for transmission.(Send Only Mac,Linux)

For the IT Administrator

Network Management

Brother provides a number of tools to help you proactively manage your network-connected Multi-Function Centre®. An **Embedded Web Server** provides a platform that can be accessed from any web browser to manage your device.

Brother provides its **BRAdmin Professional Software** for administering LAN connected
Multi-Function Centres®

The **Driver Deployment Wizard** installs and mass deploys windows printer drivers.

Email notification allows the administrator to be alerted via email when the condition of the machine changes.

Environmentally Friendly Features

International Standards:

ISO 14001

As one of the Australia's leading Multi-Function Centre manufacturers, Brother takes its environmental responsibilities very seriously. Brother Multi-Function Centres® are ISO 14001 compliant meaning that they are manufactured in accordance to international environmental standards.

Front Loading Cartridges

Thanks to the front loading draw, the MFC-9440CN's four separate colour toner cartridges mean you can replace a single toner once it is empty, keeping costs low.

Cartridge Recycling

Brother is proud to be a Major Sponsor of the 'Cartridges 4 Planet Ark' recycling program. This Australia wide program recycles printer cartridges with zero waste to landfill, guaranteed. Brother are committed to supporting initiatives which help to ensure the long term sustainability of the environment.

Software

Brother supplies industry standard software to enhance the key functions of your machine:

- Scansoft® Paperport® Turns piles of paper and photos into organised digital files that you can quickly find, use and share.
- OCR software Easily turns printed pages into editable electronic documents.
- Brother PC-Fax software Send and receive faxes directly from your PC.
- Newsoft Presto!® Page Manager® for Macintosh® including OCR^A Document management software for Macintosh users
 - ▲Please see driver table for details on your operating system.

Brother strongly recommends that our customers use genuine Brother consumable products only. The benefits to you are:

Better quality prints
Greater yields per consumable
You protect your machine from damages

Achieve optimum performance
Failure to use only genuine Brother® supplies may damage the
machine and such damages may not be covered under warranty.
